## ACTIVITIES /VOLUNTEER

### Student Council (2013-2014)

In student council, I had the privilege of participating in school assemblies and assisting in school events. I often participated in meetings and helped gather and create materials for the school.

### Student Organization of Latinos — 2018-2019

In SOL, I was able to support my school by supporting their school events. I was present at their meetings. As I was present in school events, I was able to form friendship with new students and peers.

### Spread The Word Nevada — 2016

Spread The Word Nevada gave me the opportunity to come and volunteer at their facility and clean used books. I had to determine what books were in good condition in order for our community to use these books.

### Three Square — 2016

I had the opportunity to volunteer at Three Square and help with a hundred peers and create food boxes for our community. I had to place different kinds of foods in bags and was assigned to participate in different stations in order to keep the process going.
